- (c) the amount payable in response to a Redemption Request shall be subject to the Manager's appraisal of the amount of cash available from the applicable Portfolio Company and/or potential transferees of the applicable Shares from time to time, which may necessitate Redemption by instalments;

4.9. Valuation of Shares

A calculation of Net Asset Value will be made by the Manager in respect of the Shares of each Portfolio Company in the Investor's Portfolio on no less than a quarterly basis and once calculated, each Net Asset Value will be published as soon as reasonably practicable. All transactions involving Shares being issued to the Investor's Portfolio or being sold, transferred or cancelled by, or at the direction of, the Manager (including by way of a capital reduction of a Portfolio Company's share capital for the purposes of the realisation of any of the Investor's

- (c) in the event that the Manager elects in its discretion, and in accordance with this Agreement, not to realise any Shares in an Investor's Portfolio in response to a Payment Request, it shall promptly notify the Investor of such election and offer to the Investor the opportunity to:
 - (i) withdraw the applicable Payment Request;
 - (ii) make an alternative form of Payment Request (in which case the applicable terms of this Agreement shall apply to such alternative Payment Request as if the alternative Payment Request was validly made by the Investor on time); or
 - (iii) allow the Investor to withdraw the applicable Shares from their Portfolio and from the management and control of the Manager by way of having transferred to the Investor the entire legal and beneficial ownership of the applicable Shares (and in the case where those Shares constitute the Investor's entire Investment, this Agreement shall terminate and the provisions of Clause 17.4 shall apply). For the avoidance of doubt, any Shares held in the name of the Investor that are not the subject of such withdrawal and transfer shall continue to be held in accordance with the terms of this Agreement.

5. Subscription

- 5.1. In order to subscribe to the Service, the Investor must make a Subscription of at least £25,000 at the same time as submitting their Application Form (subject to the Manager's discretion to accept a lower subscription).
- 5.2. Subject to the Manager's discretion, the Investor may make further Subscriptions of no less than £10,000 at any time.
- 5.3. The Custodian will hold Subscriptions until the Manager has completed its money laundering checks in respect of an Investor to its satisfaction. The Manager shall use its reasonable endeavours

to deploy the full amount of a Subscription (less the Investment Fee and Dealing Fee) into Shares within twenty one (21) business days of the satisfaction (as determined by the Manager in its sole discretion) of all conditions to completion of a Subscription. Pending their application for Shares, Subscriptions received will be deposited in a bank account with the Custodian. The Subscription and any cash amounts held for an Investor's Portfolio by the Custodian from time to time will not bear interest.

- 5.4. The Investor acknowledges that the investment in, and disposal of, Shares by the Manager or the Custodian is at the Investor's risk and that neither the Manager nor any Custodian or Nominee, nor any director or officer of (or member of the same Group as) any of them, will be liable to the Investor.
- 5.5. in the event of any loss in value of such Investments or the insolvency of any bank with which Investor's funds are deposited, nor will they be so liable in the event of any restriction on their ability to withdraw funds from such bank or dispose of or realise Shares for reasons beyond the reasonable control of any of them.

6. Manager services

- 6.1. The Manager will manage the Investor's Subscription (less the Investment Fee and Dealing Fee) and Portfolio and exercise all discretionary investment powers in relation to the selection of or exercising rights relating to Investments including, for the avoidance of doubt, any issue, sale, cancellation, transfer or acquisition of Shares for the Investor's Portfolio and any conversion, subscription, voting or other rights relating to Investments (and the Investor hereby irrevocably authorises and empowers the Manager in this regard), in each case in accordance with the Investment Strategy in furtherance of the Investment Objectives and upon, and subject to, the terms of this Agreement.
- 6.2. The Investor acknowledges and agrees that the Custodian is not obliged to seek or accept any instruction or direction directly from the Investor in respect of the Custodian's execution of instructions from the Manager relating to the exercise of the Investor's rights relating to Investments and the Investor acknowledges and agrees that the Manager is authorised on behalf of the Investor to instruct or direct the Custodian to receive, distribute or transfer Investments including the Investor's cash on the basis set out in Clause 7.3, and otherwise liaise with the Custodian on the basis set out in Clause 7.
- 6.3. The Manager will not, except as expressly provided in this Agreement or unless otherwise authorised by or on behalf of the Investor, have any authority to act on behalf of, or in respect of, the Investor or to act as the agent of the Investor.
- 6.4. The Tax Benefits are dependent on an Investor's personal circumstances and Applicable Laws. The Manager does not provide legal, tax, financial

or other advice and the Investor should seek independent advice to determine and understand the suitability of subscription to the Service, the Investment Strategy to be selected by the Investor and any effect that this may have on the Investor's position generally.

7. Custodian services

- 7.1. The Manager will arrange for the Custodian to provide the Custodian Services in relation to the Investor's Subscription and assets held in the Investor's Portfolio and for the Custodian and the Nominee to provide the Nominee Services. The Custodian will act as custodian of the cash and other assets in the Portfolio and the Nominee will be the legal owner of applicable Shares and retain certain registers in respect of the same.
- 7.2. The Manager will provide a copy of the Custodian Agreement and/or Nominee Agreement to the Investor as soon as reasonably practicable upon written request.
- 7.3. By accepting the terms of this Agreement, the Investor agrees that:
 - (a) the Manager is authorised to enter into the Custodian Agreement and Nominee Agreement on the Investor's behalf as the Investor's agent, to give instructions to the Custodian and Nominee and to agree any subsequent amendments to the Custodian Agreement and/or Nominee Agreement on the Investor's behalf, provided that the Manager notifies the Investor of such amendments in accordance with the FCA rules;
 - (b) the Investor is bound by the terms of the Custodian Agreement and Nominee Agreement; and
 - (c) the Custodian and Manager are each authorised to transfer cash or Investments from the Investor's account to meet the respective fees and settlement under this agreement or other obligations under the Custodian Agreement and the fees of the Custodian under the Nominee Agreement.
- 7.4. Under the Custodian Agreement, the Investor will remain the customer of the Manager, but will also become a customer of the Custodian for settlement nominee and custody purposes only. The Manager retains responsibility for compliance and regulatory requirements regarding the management of the Investor's Subscription and Portfolio. Neither the Custodian nor the Nominee provides investment advice, gives advice or offers any opinion regarding the suitability of any transaction. The Investor should direct all enquiries regarding the Service to the Manager and not to the Custodian or the Nominee. The Custodian and the Nominee will not accept instructions from the Investor directly.
- 7.5. The Manager is authorised at any time to replace the Custodian with an alternative custodian that is, in the Manager's opinion, suitable for the Service

and capable of providing the settlement nominee and custody services described in the Brochure and/or to vary the terms from time to time, or terminate, the Custodian Agreement or Nominee Agreement. In each case, the Manager will endeavour to ensure that it does so on terms no less beneficial to the Investor.

- 7.6. The Investor acknowledges that although the Custodian will not co-mingle securities with its own property, the Custodian may co-mingle the securities with securities held for other clients. In addition, securities deposited with a delegate of the Custodian or Nominee may be held in an omnibus account by the delegate of the Custodian or Nominee (as the case may be). In each case individual client entitlements may not be identifiable by separate certificates, or other physical documents by title, entries on the register or equivalent electronic records. If there is an irreconcilable shortfall following any default by the Custodian or the Nominee or a delegate of the Custodian or Nominee, the Investor may not receive their full entitlement and may share in the shortfall pro rata among the Custodian's or Nominee's (as the case may be) other clients or the delegate's other clients.

8. IEP care service

- 8.1. The Investor has the right to access the IEP Care Service for the duration of the period in which the Manager manages the Investor's Investment in accordance with the terms of this Agreement. The Manager will arrange for the Care Adviser to provide the IEP Care Service to the Investor and the Investor's direct family on the terms of this Clause 8, Schedule 4 to this Investor Agreement and the terms of the Care Adviser Agreement.
- 8.2. By accepting the terms of this Agreement, the Investor agrees that:
- (a) the Manager:
 - (i) has entered into the Care Adviser Agreement so the IEP Care Service could be provided to the Investor and for the Investor's benefit,
 - (ii) could give instructions
 - (b) to the Care Adviser in respect of the provision of the IEP Care Service; and (iii) may agree subsequent amendments to the terms of the Care Adviser Agreement; and
 - (c) the Manager is entitled to request that an Associate of the Manager assumes the Manager's obligation to pay the Care Advisor any fees to which the Care Adviser may be entitled under the Care Adviser Agreement provided that such fees shall only be paid out of the sums such Associate of the Manager receives as either Management Fee or Administration Fee, and will not be borne by any Portfolio Company or Associate of a Portfolio Company, it being acknowledged that the Manager will remain primarily

liable to pay such fees.

- 8.3. The Investor acknowledges and agrees that the Manager does not itself provide the IEP Care Service nor does the Manager provide advice or offer any opinion regarding the suitability of, the need for, or any other element of, the provision of care to the Investor, nor in respect of the Investor's (and/or the Investor's family's) rights and/or options in relation to the same. The Manager is accordingly not responsible for any advice given by the Care Adviser. The Investor should direct all enquiries regarding the IEP Care Service to the Care Adviser and not to the Manager.
- 8.4. Under the Care Adviser Agreement, the Investor will be entitled to access the IEP Care Service as specified in Clause 8 and Schedule 4 to this Investor Agreement. The Manager retains responsibility for compliance and regulatory requirements regarding the management of the Investor's Subscription and Portfolio. The Care Adviser does not provide investment advice, give advice or offer any opinion regarding the suitability of any transaction involving the Investor's Investment or Portfolio. The Investor should direct all enquiries regarding the Service (save for enquiries about the IEP Care Service) to the Manager and not to the Care Adviser.
- 8.5. The Manager is authorised to replace the Care Adviser with a suitable alternative care adviser at any time and/or to vary the terms of the Care Adviser Agreement from time to time, and the Manager is entitled to terminate the Care Adviser Agreement upon notice at any time. In each case, the Manager will use its reasonable endeavours to ensure that it does so on terms no less beneficial to the Investor, however, the Investor acknowledges that the number of businesses providing care advisory services is limited and that there may be a delay in appointing, or (having used its reasonable endeavours) the Manager may never be in a position to appoint, a suitable alternative care adviser on terms which are within reasonable commercial parameters.

9. Delegation and assignment

- 9.1. The Manager may engage agents, including Associates of the Manager, to perform any administrative, custodial or ancillary services to assist the Manager in managing the Service, in which case it will act in good faith in the selection, use and monitoring of such agents and Associates of the Manager but otherwise will have no liability in respect of such agents and Associates of the Manager. Any such engagement of agents and Associates of the Manager will not affect the liability of the Manager under the terms of this Agreement.
- 9.2. The Manager may replace, substitute, assign or novate this Agreement to any appropriately authorised and regulated entity which is an Associate of the Manager, and agrees to notify the Investor of such replacement, substitution, assignment or novation. The Manager (and any duly appointed delegate or attorney of the Manager), in

acting within the terms of this Agreement, is duly authorised and empowered to approve, execute and/or deliver any and every such instrument or document for and on behalf of the Investor.

- 9.3. This Agreement is personal to the Investor and the Investor may not assign it.

10. Potential conflicts of interest and disclosure

- 10.1. The Manager, the Nominee and the Custodian may provide services similar to IEP Private Media or any other services whatsoever to any other of their respective customers (including, without limitation, services similar to those being provided to the Investor under this Agreement, for example in relation to investments in Portfolio Companies on behalf of other clients) and none of the Manager, the Nominee or the Custodian will in any circumstances be required to account to the Investor for any profits earned in connection therewith. So far as is deemed practicable by the Manager, the Nominee or the Custodian, the Manager, the Nominee or the Custodian will use all reasonable endeavours to ensure fair treatment as between the Investor and other customers in compliance with the FCA Rules.
- 10.2. The Investor confirms that they understand that the Manager will invest in Portfolio Companies whose board may include employees of an entity that is an Associate of the Manager and whose management may be outsourced to the Manager or an Associate of the Manager.
- 10.3. A summary of the Manager's conflicts of interest policy, which details how the Manager identifies and manages conflicts of interest, is set out in Schedule 2.

11. Manager authorisation, client categorisation, investor confirmations and obligations

- 11.1. Whether or not the Investor has been categorised as a professional client by their adviser for the purposes of the services provided by that adviser to the Investor in connection with their application to the Service (which may have included a personal recommendation by that adviser) the Investor is, nevertheless, categorised by the Manager as a "Retail Client" for the purposes of the services provided under this Agreement constitutes a "Client Agreement" for the purpose of the FCA Rules. The Investor has the right to request categorisation as a "Professional Client" by the Manager in connection with the Services. However, if the Investor does so and if the Manager agrees to such categorisation the Investor will lose certain protections afforded by FCA Rules. This may include, but may not be limited to the following:

- (a) Disclosures: Additional disclosures which must be provided to Retail Clients need not be provided to Professional Clients (for example, on costs, commissions, fees and charges, foreign exchange conversion rates and certain information on managing investments).
 - (b) Suitability: When it is necessary to assess the suitability of an investment for the Investor, the Manager can assume that a Professional Client has the necessary experience and knowledge to understand the risks involved and in certain circumstances can assume it is able financially to bear any investment risks as set out in this Brochure.
 - (c) Best execution: The obligation to obtain the best possible result when executing an order on behalf of an Investor differs in its application between Retail Clients and Professional Clients.
 - (d) Periodic statements: A Retail Client is entitled to receive more detailed information in periodic statements than a Professional Client, and a Retail Client may request to receive a statement of the Published Reference Value every three months.
 - (e) The Financial Ombudsman Service (FOS): FOS is a point of referral under which certain complaints relating to regulated activities may be resolved quickly and with minimum formality by an independent person. Only Retail Clients are entitled to refer complaints to FOS.
- 11.2. The Investor confirms that they are suitably knowledgeable of the risks associated with non-Readily Realisable Investments.
- 11.3. The Investor confirms that they are not seeking advice from the Manager on any aspect of any investment in respect of the Service, including the Investment Strategy or the Investment Objectives, or in relation to the decision to subscribe to IEP Private Media or in respect of any such matters as may subsequently be amended or altered pursuant to this Investor Agreement.
- 11.4. The Investor agrees that the Manager may hold information about them and the Investor's affairs in order to verify the Investor's identity and financial standing or otherwise in the performance of the service (among other things the Manager may consult a credit or mutual reference agency, which may retain a record of the enquiry).
- 11.5. The Manager has a duty, on an ongoing basis, to comply with the anti-money laundering provisions of the Proceeds of Crime Act 2002, the Money Laundering Regulations 2017 and the FCA Rules and to perform appropriate sanctions checks in accordance with applicable sanctions, prohibitions or restrictions under Applicable Law, United Nations resolutions, or the trade and economic sanctions, law and regulations of the European Union or the United States of America (such legislation referred to in this Clause, together, the Relevant Financial Rules).
- 11.6. To ensure compliance with the Relevant Financial Rules, the Manager must therefore verify the

Investor's identity and, if applicable, report suspicious transactions to the appropriate enforcement agencies. If the Investor does not provide the identity verification information when requested by the Manager, or the results of any verification and checks referred to in Clause 11.5 would result at any time in exposing the Manager to a risk of breaching the Relevant Financial Rules by its provision of the services under this Agreement, the Manager may be unable to accept any instructions from the Investor, or provide the Investor with such services.

- 11.7. The services provided under this Agreement to the Investor are on the basis of the declaration made by the Investor in the Application Form, which includes the following statements by the Investor:
- (a) the Investor wishes to seek BR for the Investments;
 - (b) the Investor agrees to notify the Manager if they are or becomes a US Person or becomes a resident for tax purposes of any jurisdiction other than the UK; and

- 11.8. The Investor must, as soon as practicable but in no event later than 14 days from the date of such change, inform the Manager in writing of any material change in circumstance and any change in the information provided in the Application Form to which Clause 11.6 refers.
- 11.9. The Investor shall provide the Manager with any information that the Manager reasonably requests for the purposes of providing the Service pursuant to the terms of this Agreement.

12. Investment objectives

- 12.1. In managing the Service, the Manager will at all times have regard to and shall use its reasonable endeavours to comply with the Investment Objectives when seeking to execute the Investment Strategy and to comply with Applicable Laws.
- 12.2. The Manager reserves the right to return any surplus of cash if it concludes that it cannot be invested in appropriate investments, and it considers this to be in the best interests of the Investor.
- 12.3. In the event of a gradual realisation of Investments prior to termination of the Service under Clause 17, the cash proceeds of realised Investments may be placed on deposit (in a client account which does not bear interest).

13. Terms applicable to dealing

- 13.1. The Investor agrees and accepts that the Portfolio may be invested in a range of unlisted securities

and that such securities generally do not trade on a Regulated Market or Multi-Lateral Trading Facility. The Investor acknowledges there is no certainty that market makers will be prepared to deal in such securities and adequate information for determining the current value of such securities may be unavailable. The Manager will ensure that transactions in unlisted securities will be effected on the best commercial terms which can be secured.

- 13.2. The Investor acknowledges that the Subscription Value will be applied in the acquisition of the nearest possible whole number of Shares as may be acquired at the price which is calculated by reference to the Published Reference Value at the relevant time.

Subject to the FCA Rules the Manager will act in good faith and with due diligence in its choice and use of counterparties but, subject to this obligation, will have no responsibility for the performance by any counterparty of its obligations in respect of transactions effected under this Agreement.
- 13.5. The Manager shall take all reasonable steps to obtain the best possible result when executing orders on an Investor's behalf. This duty of best execution is owed by the Manager to an Investor only when the Manager has contractual or agency obligations to an Investor. An Investor should familiarise himself with the Best Execution Policy, provided at Schedule 3. The Manager is required to obtain each Investor's consent to this policy, which will be demonstrated by the relevant Investor submitting a completed Application Form to the Manager.
- 13.6. The Manager may aggregate an Investor's transactions for the Service with those of other customers and of its employees, in respect of transactions in Shares in which the Investor's Portfolio is invested in accordance with the FCA Rules. It is unlikely that the effect of such an allocation will work to an Investor's disadvantage; however, occasionally this may not be the case. The Manager will allocate aggregated transactions promptly on a fair basis in accordance with the requirements of the FCA Rules.

14. Reports and information

- 14.1. The Manager, in accordance with FCA Rules, will provide the Investor with a periodic statement at least once every three months and will provide reports which will include a measure of the Portfolio's performance.
- 14.2. The Manager will endeavour to supply such further information, which is in its possession or under its

control as the Investor may reasonably request in writing, upon reasonable notice and subject to any overriding duty of confidentiality to which the Manager may be subject in respect of the same.

- 14.3. The Investor confirms that confirmation of every transaction completed in respect of their Portfolio is not required. The Manager confirms and the Investor accepts that periodic statements sent by the Manager will include such information as is prescribed by the FCA Rules for confirmation of trades.

- 15.1. In consideration of the performance of the Service under this Agreement, the Manager will receive the Investment Fee and the Dealing Fee (as applicable).
- 15.2. The Custodian will receive fees for the provision of the Custodian Services and Nominee Services, and reimbursement of its costs and expenses, under the Custodian Agreement and/ or Nominee Agreement.

- an AIF or the investors in that AIF, and another client of Ingenious; and
- clients of Ingenious.

2.1. What are appropriate steps?

As a minimum, we will consider the following factors to identify, if by providing the service or activity, we might:

- likely make a financial gain, or avoid a financial loss, at the expense of the client;
- have an interest in the outcome of a service or transaction provided to the client which is distinct from the client's interest in that outcome;
- have a financial, or other incentive, to favour the interest of another client, or group of clients, over the interests of the client;
- carry on the same business as the client; or
- receive, or will receive, from a person other than the client, an inducement relating to a service provided to the client, in the form of monies, goods, services, other than the standard commission or fee for that service.

2.2. Other situations where there may be conflicts of interest

Conflicts of interest may also result from other activities conducted by us or by other members of our group. We will also identify if there are conflicts in the following circumstances:

- when we are approving a new business line or product;
- if we consider any activities, or combination of activities, creates a heightened risk of conflicts impacting our client's interests – both at the start and during the client relationship.

2.3. New conflicts of interest

The Compliance Officer in conjunction with relevant investment staff and where relevant the Board will assess all new identified conflicts and make a decision whether:

- existing control mechanisms are sufficient to mitigate it;
- new/additional controls are required; and
- we should disclose the conflict to relevant clients so that they are able to take an informed decision as regards the related service.

3. Recording conflicts

We will keep and maintain a record of the types of services and activities carried out by us, or on our behalf, where a conflict has been identified that may result in a material risk of damage to the interests of our clients. This includes potential and actual conflicts and any that might arise when providing an ongoing service to our clients.

4. Managing conflicts

We will always put in place arrangements that demonstrate we have taken all appropriate steps to prevent a conflict from adversely affecting the interests of our clients. We use the following types of arrangements in place to mitigate our conflicts:

- a remuneration policy that sets out Ingenious' arrangements to ensure that our compensation arrangements will not give rise to conflicts;
- a staff dealing policy that sets the conditions under which its staff may engage in investment activity for their own account;
- an Inducements, gifts and hospitality policy that sets out Ingenious' arrangements. In general, Ingenious must not pay to, or accept from, a third party any fee, commission or other benefit in relation to business undertaken for a client;
- appropriate restrictions on outside interests, such as directorships of other companies;
- independent management structures and reporting lines which only meet at board level.

ICML maintains and operates effective organisational and administrative arrangements with a view to preventing conflicts of interest from constituting or giving rise to a material risk of damage to the interest of its clients.

These arrangements may include the following:

- Systems and controls – to try to prevent or limit any Employee from exercising undue influence over the way in which others carry out services or activities we use clear job descriptions, reporting lines and independent oversight and monitoring by Compliance and the Audit and Risk Committee;
- Insider List – ICML employees may come into sensitive information e.g. through confidentiality agreements with a firm, where ICML is planning or making a potentially sensitive transaction or where individuals are 'wall crossed' by other firms. Compliance maintains this information via an Insider List and advises on the appropriate measures to be put in place e.g. Information Barriers;
- Information Barriers - are the physical, control, administrative and cultural barriers designed to prevent the flow of confidential and insider information. They are commonly referred to as 'Chinese Walls'. ICML respects the confidentiality of information it receives about its clients operating a "Need to Know" approach and complying with all applicable laws with respect to the handling of that information. Chinese Walls are a key part of each Regulated Entity's conflicts management policy, and are used to isolate the business area that has confidential information or inside information. Where it can clearly be demonstrated that the Chinese Walls have been observed, then no other party on the 'other side' will be considered to have acted 'with knowledge' of the confidential information or inside information held by the other party. Chinese Walls operate at Regulated Entity level, both around and within each Regulated Entity.

Where it is determined that ICML is unable to effectively manage an actual or potential conflict of interest which has arisen or may arise, ICML may have to choose to decline to act for the client.

5. Disclosure of conflicts

If we are unable to put in place arrangements that are sufficient to prevent conflicts from adversely affecting our client's interests, we must disclose this to the client before carrying out any business on their behalf. Any disclosure made under this section will be as a last resort, we expect to have effective organisational and administrative arrangements in place to prevent or manage conflicts. We will not make a disclosure before we have properly considered how we can reasonably manage a conflict to reduce the potential damage to the client's interests. If we need to disclose, then we must disclose the general nature and source of the conflicts of interest and the steps we have taken to mitigate any risks. This disclosure must:

- be made in a durable medium (a letter or email);
- clearly state that we are reasonably confident the organisational and administrative arrangements we have in place will not prevent the risk of damage to the client's interest;
- include a specific description of the conflict explain what risks to the client might arise as a result of the conflict;
- made before business is undertaken for the client;
- relate to specific conflicts of interest; and
- include sufficient detail to enable the client to take an informed decision about whether to proceed with the service offered by the firm.

The Compliance Officer and a member of the Board must sign off the disclosure before being issued.

If the organisational arrangements made by the AIFM to identify, prevent, manage and monitor conflicts of interest are not sufficient to ensure, with reasonable confidence, that risks of damage to investors' interests will be prevented, the AIFM must both:

- Clearly disclose the general nature or sources of conflicts of interest to the investors before undertaking business on their behalf
- Develop appropriate policies and procedures

6. Record keeping and review

ICML keeps, and regularly updates a conflicts of interest register. Periodic reviews are undertaken to identify any further potential conflicts. On at least an annual basis, and whenever else required, the Conflicts of Interest Policy is reviewed and updated by Compliance.

Monitoring of adherence to this policy and the procedures in place around conflicts is conducted by Compliance and reported to the Audit and Risk Committee and the ICML board.

Schedule 3: Best Execution policy

The Best Execution rules will apply to the firm where it is receiving and transmits orders on behalf of its clients such as where the firm negotiates and arranges a transaction for its client, or where it executes orders for clients by entering into an agreement on their behalf.

When executing orders, a firm must take all sufficient steps to obtain the best possible results for its clients taking into account factors including price, costs, speed, likelihood of execution and settlement, size, nature or any other consideration relevant to the execution of an order.

The obligation to deliver the best possible result when executing client orders applies in relation to all types of financial instruments including transferable securities and units in collective investment undertakings.

All of the transactions that we undertake relate to shares in unlisted special purpose corporate vehicles. Best Execution obligations should therefore be applied to take into account the different circumstances surrounding the execution of orders for particular types of financial instruments. For example, transactions involving a sale and purchase agreement for the shares of a private special purpose vehicle may not be comparable for best execution purposes with transactions involving shares traded on public exchanges. When negotiating a deal, however, we do attempt to secure an outcome in terms of price and other factors that is in the best interests of our investors.
